GET ORACLE CERTIFIED

INCREASE YOUR EARNING POTENTIAL!

Getting certified with Oracle is even easier for you now that S & I is an approved Education Centre and Authorised Reseller for Oracle University curriculum.

As an Approved Education Centre and Authorised Reseller for Oracle University curriculum, S & I is proud to offer certified Oracle University courses in any Oracle Education Centre in Singapore. We also provide instructor-led training courses using Oracle curriculum and instructors officially approved by Oracle University.

Gain internationally and industry-recognised knowledge in database and grids, application server, development tools, enterprise resource planning, and much more to enhance your employability and earning potential.

Oracle certification brings you the credibility you deserve for your knowledge, skill, and experience on the job as an Oracle Professional and will provide you with an industry recognized credential that lead to your success.

Customised Training for your unique training needs

We offer customised training courses especially tailored-fit to meet your unique requirements. The training can be done on-site, at your comfort and convenience. We have The Oracle Ace Director, **The First in Singapore** who specialized in helping you analyse your specific training needs- from assessment to implementation.

The Oracle Technologies and Application Courses that we offer includes:

- Oracle Database and Grid
- Enterprise Manager
- JD Edwards
- JD Enterprise One
- Fusion Middleware
- Hyperion
- PeopleSoft Enterprise

Upgrade your skills through Enhanced CITREP-Program.

Several Oracle University Courses are CITREP-Endorsed whereby 80% of the course fee and registration is subsidized! Sponsoring Organizations can at the same time apply for Absentee Payroll Support whereby SG \$50 per trainee per day is reimbursable! To know more information about Enhanced CITREP Program and eligibility requirements, please visit: <http://www.ida.gov.sg/Programmes/>

Training Roadmap To Achieve Your Oracle Certification.

We **know** how important it is for companies like yours to ensure that critical positions are assigned to best-of-breed IT professionals. We understand that IT professionals like you need to stay ahead in the competitive workforce! We are here to help you obtain the most-sought after "badge of credibility": The Oracle Certifications. Whether it is your first time to apply or you are already holding on to certain Oracle Certificates, we are here to help you determine the best training roadmap for you!
